MARYLAND WOMEN'S HERITAGE CENTER CELEBRATING THE WOMEN OF MARYLAND: PAST, PRESENT, AND FUTURE

- The Maryland Women's Heritage Center was established to preserve the past, understand the present, and shape the future by recognizing, respecting, and transmitting the experiences and contributions of Maryland women of diverse backgrounds and from all regions of the state.
- The first effort of its kind in the nation, it provides a place to learn and teach about the contributions of Maryland women through the State's history, to develop leadership by girls and women, and to hold forums to address issues impacting on girls, women and their families.
- The Center is an outgrowth of the Maryland Women's History Project that began in 1980 as a collaborative venture between the Maryland Commission for Women and the Maryland State Department of Education.
- The Maryland Women's Heritage Center will feature:
 - Permanent and changing exhibits about individuals, events, and special topics
 - Information and activities about renowned Maryland women such as those in the Maryland Women's Hall of Fame
 - Special recognition of the innumerable "unsung heroines" in our families and communities
 - An interactive, state-of-the-art student learning center
 - A resource and reference library
 - A women's history archive
 - Displays of arts and crafts
 - Dramatic, musical, and dance performances by Maryland women and girls
 - Dialogues and seminars on women's issues
 - Space for special events and receptions
 - A gift shop with art, literature and unique gifts by Maryland women.

We invite all who wish to honor the history and contributions of our diverse foremothers to join us in supporting the creation of this historic first.

Donations can be made online at www.MDWomensHeritageCenter.org
